INFORMATION NOTE

Subject: POSITIVE CASE OF COVID-19 IN HGOPED

The General Manager of Gynaeco-Obstetric and Pediatric Hospital of Douala informs the general public / personnel that on Monday 16th of March 2020, one of his female personnel, of 41 year old, who had been in contact with a visitor from Europe presented symptoms of flu. The personnel was immediately isolated, then specimen was collected and transported to Yaounde for screening. The result of the screening test was positive for **COVID-19**. The personnel's clinical situation is stable for the moment.

The General Manager on this occasion call on the his personnel as well as the general public to implement and respect the protective measures prescribed by the ministry of public health and the World Health Organisation (WHO).
